

PUBLIC NOTICE

WMRFY20-119

The Department of Environmental Quality's (DEQ) Waste Management and Remediation Division, Waste Management and Underground Tank Management Bureau, Septic Tank Pumper (STP) Program received an application for licensure of the land application of septage in Rosebud County (Proposed Action). DEQ has reviewed the application and has determined it is complete. The name and address of the applicant is:

Heavy Water Haulers, Inc.
P.O. Box 775
Roundup, MT 59072

The proposed 50-acre land application site is located on private property in Sections 14, Township 10 North, Range 32 East, in Melstone, Montana. The site will be used by Heavy Water Haulers, Inc.

The purpose of this notice is to inform the public of the Proposed Action and to seek public participation in the decision-making process. To comply with the Administrative Rules of Montana (ARM) 17.4.607(2), 608, 609, and 610, a draft environmental assessment (EA) has been prepared. A copy of the draft EA may be obtained from the STP Program at the address below, and is on DEQ's website at: <http://deq.mt.gov/Public/ea/septicpumpers>

The deadline for submitting comments on the proposed licensure of the septage land application site is October 12, 2019. Comments may be mailed to:

Comments, STP Program
DEQ/WUTMB
P.O. Box 200901
Helena, MT 59620-0901

or emailed to: DEQSTPprogram@mt.gov. Call 406-444-5300 for information or help.

Dated this 12th day of September 2019
